**ORDER :**

The District Collector, Hyderabad in the letter first read above has stated that there are large number of Government schools in Hyderabad District not having own buildings and there is a severe shortage of land for construction of new schools. The District Administration has undertaken a programme to provide Government accommodation for all Government Schools in the District under Rajiv Vidya Mission(RVM). During the inspection along with the concerned public representatives it is found that Government High School, Dariche Bawaheer and Primary School are running on shift basis in one compound, causing much inconvenience to the students. The total strength of both the schools is nearly 2500. Hence it was decided to construct a separate High School building there. The Tahasildar, Bahadurpura has informed that there is a land situated in Sy.No.73 co-relates to T.S.No.9, Block-D, Ward No.244 of Nandimusalaiguda Village of Bahadurpura Mandal, Hyderabad admeasuring of Ac.8.28 guntas or 28416 Sq.Mtrs and the land was handed over to Quli Qutub Shah Urban Development. Subsequently out of the said land, parts of land has been re-allotted to the various departments in the public interest. At present 21,262 Sq.Mtrs of land is vacant with QQSUDA. The above land is adjacent to the existing school and is ideally located for construction of the additional School building and the Rajiv Vidya Mission, Hyderabad District will construct a full fledged separate High School Complex with the available funds and also the Primary school with over 1200 students can continue in the existing building without shift system.

2. The District Collector, Hyderabad District has therefore requested the Government for allotment of land to an extent of 1500 Sq.Yds out of vacant land available with Quli Qutub Shah Urban Development Authority, in Sy.No.73, Nandimusalaiguda, Bahadurpura Mandal for construction of School building for the use of poor students of Hyderabad.

3. The Administrator, Quli Qutub Shah Urban Development Authority, Hyderabad in the letter second read above has stated that at present Acrs.4-00 of land at nandimusalaiguda is under their possession sine 1991. In the 18<sup>th</sup> Managing Committee's meeting it was decided to construct an Office-cum- Commercial complex in the said vacant land. Further there is a proposal to shift the present office of QQSUDA at Darulsifa to Nandimuslaiguda in the event of extension of Salarjund Museum. The

present value of the land is approximately Rs.8.00 Crores per acre and total value of the land is approximately Rs.32.00 Crores and it is the only asset belonging to QQSUDA to get the revenue to support the development activities of QQSUDA. He has therefore requested the Government to take a decision on the allotment of the land for construction of School building.

4. Government after careful examination of the matter in detail, hereby permit the Administrator, Quli Qutub Shah Urban Development Authority, Hyderabad to allot land to an extent of 1500 Sq. Yards in Sy.No.73 at Nandimusalaiguda Village, Bahadurpura Mandal, out of the vacant land of QQSUDA in favour of the District Collector, Hyderabad District for the purpose of construction of School building for the use of poor students of Hyderabad, with the available funds under Rajiv Vidya Mission.

5. Government further direct that the District Collector, Hyderabad District Shall allot same extent of area as alternate land to Quli Qutub Shah Urban Development Authority as a substitute land in some other place in lieu of the above land.

6. The Administrator, Quli Qutub Shah Urban Development Authority, Hyderabad / District Collector, Hyderabad District shall take necessary further action accordingly in the matter.
